

**Kentucky Coalition for Advancing
Education**

March 29, 2022, 4:00p.m. to 5:30 p.m ET

Watch meeting on the [KDE Media Portal](#)

Under the Leadership of Commissioner of Education Jason E. Glass, the Kentucky Department of Education, the Center for Innovation in Education (CIE) and the Kentucky Board of Education have partnered to create a vision for public education in the Commonwealth. The Statewide coalition is bringing together perspectives from across the Commonwealth to drive this work forward. The coalition is co-creating a vision with communities, foster local innovations and advance policy recommendations to sharpen the future of education in Kentucky.
